

## Year 3 Tasks for week beginning 13<sup>th</sup> July

Dear Parents, please use these ideas to support your child's learning while they are at home this week. Most of the task ideas are based on what the children would be doing in school at the moment. We appreciate this is not easy for you, so please do not let it cause you or your child stress if they find it too difficult. Please email [teachers@kelvedonhatch.essex.sch.uk](mailto:teachers@kelvedonhatch.essex.sch.uk) if you have any questions related to your child's learning and someone will get back to you. To support these ideas, use websites such as [primaryresources.co.uk](http://primaryresources.co.uk) to find resources.

### Uploading to purple mash.

To upload pictures to purple mash, they will need to go onto a template and then uploaded into the year 3 folder. To do this you will need to click on 'tools', click on '2 publish', find any template you like, click the green arrow, click 'from my PC' and then select your picture/pictures. To save into the year 3 folder click on the three horizontal lines on the side of page and then click the 'year 3' folder.

### English

- Spellings set on purple mash
- Reading set on purple mash

English tasks this week will coincide with the reading and will be set on purple mash. Please ensure that you are focusing on spelling and punctuation. Really encourage children to practice spellings they are unsure of as they should be moving away from spelling phonetically and using spelling rules.

### Maths

Please watch the lesson on the White Rose website and then complete the worksheets. If you can, please upload a picture of your work to purple mash.

### PSHE

Write a recount of your experience being away from school. Tell me how you felt and why. Upload your recount to purple mash. If you don't want me to share your work on the year 1 display board just let me know at the bottom of your work.

Write 4 things you are looking forward to moving into year 4 and 4 things you are worried about (don't worry I won't put any of these on the display board but I will share them with your new teacher)
